## Solutions that simplify development for even the most complex applications

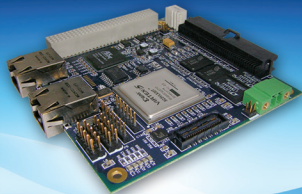

### PCIe/104 to PCI Express Adapter

PCIe/104 & PCI/104-Express compatible

Install a x1, x4, x8 or x16 lane PCI Express card into a PCIe104 or PCI/104-Express system in a stack down configuration

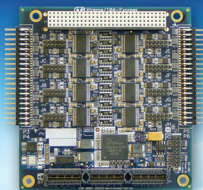

## LATEST CTI PRODUCTS

### FreeForm/PCI-104

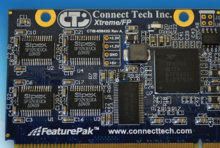

- Virtex-5 LX30T, LX50T or FX30T
- Dual Ethernet, DDR2
- LVDS/GPIO
- PowerPC option

### Xtreme/104-Express

- PCI/104-Express form factor
- RS-232/422/485
- 8 high speed serial ports up to 15.625 Mbps

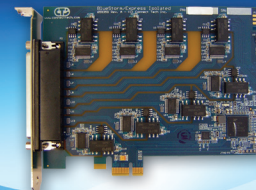

### Xtreme/FP

NEW

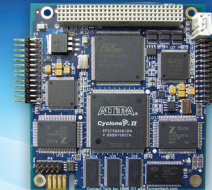

- FeaturePak module
- 4 ports RS-232
- Speeds up to 1Mbps
- 16 digital I/O

### BlueStorm/Express Isolated

- PCI Express form factor
- 8 ports RS-232, with speeds up to 1Mbps
- 2kV signal and power isolation port to port (3kV on-board)

### ComSync/PCI-104

- PCI-104 form factor
- 2 channel sync/async
- HDLC/SDLC
- Up to 18.432 Mbps per channel
